Client success summary

Kwizda Group wanted to strengthen the market-leading position of its pharmaceuticals wholesale business division by enabling it to respond to market trends faster than the competition. To gain real-time business insights, Kwizda implemented SAP® S/4HANA with the Lenovo System x3950 X6 solution for SAP HANA® solution, featuring Intel® Xeon® E7 processors. The solution enables its procurement staff to take better advantage of different scales of discounts and empowers sales teams to provide better customer service.
