“The hyperconverged solution from Lenovo and Nutanix has been pivotal in transforming our IT department from a cost center into a profit center.”
—**Matthew Day, CIO, Langs Building Supplies**

Langs Building Supplies selected a hyperconverged infrastructure solution based on Lenovo ThinkAgile HX3520-G appliances with Intel® Xeon® Scalable processors and Nutanix Enterprise Cloud—cutting daily IT management workloads from 60% to 10% and freeing time for IT service innovation.
